

Fairy Tales, Fables & other Favorite Stories

A Lunch & Learn Program

Mondays 11:00 - 12:30

For ages 4 - 6

Beginning October 11 (8 week session)

Class being taught by Great Escape Preschool teacher Mrs. Collins

Please bring you lunch and join us as we explore our favorite stories!

One of the most special times of the day for a child is "story time." This magical time builds a foundation for early literacy skills and helps children learn that books and stories are fun!

We'll use Art, Science, Math, Movement & Creative Play to explore these favorite stories.

Exposure to stories and books helps children build vocabulary, improve memory, listening, imagination skills and develop early literacy skills.

This is a fun filled learning Experience!

Please sign up at the front desk or Call Elite Sports Complex at (630) 968-2699

Bring your lunch & we'll have fun by the bunch!
