(No Class April 1st)

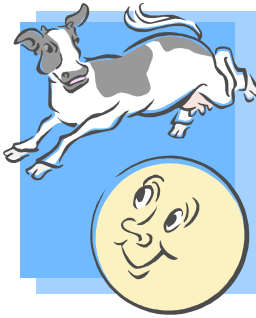

Bring your lunch!  
We'll have fun by the  
bunch!

Please bring your lunch and join us!

\*Please remember we are a peanut/ tree nut free school \*

Class being taught by Great Escape Preschool teacher Mrs. Collins

\$108.00 for a 8 week session

- Join us as we explore the world of Nursery Rhymes, chants and songs. We will use Art, Science, Math, Movement, Small motor skills and Language Arts to Visit these old favorites.
- Children will share in the love of oral language while increasing their vocabulary, fluency and comprehension skills.
  - This is a fun filled learning Experience!

## All new curriculum starting in March!

“ Timeless tales with rhyme, repetition, colorful characters, and simple story lines make nursery rhymes a childhood favorite. But don't let their simplicity fool you– nursery rhymes have proven to be a valuable teaching tool for young children. Not only are they a natural part of literacy learning– strengthening print awareness, phonological awareness, phonics, word study, and comprehension– but these structured stories can also open up a world of other learning!”

( The Mailbox, 2003)
